Class Will

Being of sound mind and body (after 12 years of intellectual strife) we, the Lock Haven High School Class of 1955, do hereby establish and proclaim this as our last will and testament.

1. Melvin Newman's height we leave to Dick Lipez. (He needs it?)
2. To Connie Karstetter we leave Bobbe Anderson's cheerleading ability.
3. We leave John Wenzke's marks to dreamers.
4. To our many wonderful teachers and advisors we bestow our sincerest appreciation and gratitude.
5. To Barbara Jeanne Brown we leave Eleanor Shamroy's musical talent.
6. We leave to Charlie Kelly, Bruce Rippey's corny jokes.
7. Gail Myers' commercial ability we bestow on Alice English.
8. To Marcia Yahn we give Deanna Rathgeber's basketball ability.
9. To Lenny Vuocolo we leave Talford Hill's wrestling achievements.
10. To all juniors and sophomores we leave the hope for better class meetings.
11. We leave Charlie Lair to Judy Donovan.
12. To Mr. Ferguson we leave a press agent for the purpose of gaining all the recognition he may desire.
13. To the juniors we leave the terrific job of compiling the GAZETTE.
14. To the janitors we leave better cleanup committees. (We hope!)
15. We leave to Gary Keister Bob Brungard's antics.
16. To Nancy Eckert we bestow Jane Douglass's fame for her golden locks.
17. We leave Connie Schetrompf's big blue eyes to Jerry Heaverly.
18. To Pat Waterman we bequeath Kathryn Heckel's sewing ability.

Having left all there is to leave, said all there is to be said, we, the Class of 1955, leave.

Signed and witnessed on this, the 3rd day of June in the year of our Lord, 1955.

Glimpses of Progress

The first schools were started in Lock Haven by parents and old-time schoolmasters; the schools closed often because the teachers did not receive their pay. In 1858 the school board spent one hundred forty-five dollars for fences around the school building to keep out the cows.

In 1859 there were six teachers in Lock Haven, three men and three women, and school ran for ten months. The most highly paid person was the principal, who received the enormous sum of sixty dollars per month.

In 1855 there were approximately forty Negro children in this vicinity who needed schooling. For them, school only lasted four months out of a year.

The first three-story school building was built in 1868 and was on the site of the present junior high school. By 1914 this school was too small, and it was condemned because the third floor swayed when the wind blew hard. It was torn down to make way for the present junior high school.

Here are a few of the changes that have come with the years:

From the graduating class of two in 1876, we have grown to approximately two hundred twenty-six in 1955. The junior and senior high school faculties have sixty teachers today compared with the three of eighty years ago.

Back in 1878 when botany was introduced into the high school curriculum, it was considered a big event because at last the curriculum was beginning to expand. The subjects that were added later such as astronomy and mythology proved to be of little or no value to the boys and girls who took these subjects.

Today we have the facilities for a well-rounded education in practically every course desired. The students who graduate from Lock Haven Senior High School are ready to meet the outside world in their every-day life.

Thus we say good-bye to the past, speak of the present, and look ahead to what the future holds in store for us.

PURPLE RIBBON DEPARTMENT

CONGRATULATIONS TO:

Our football, wrestling, basketball, and baseball teams which honored the school with their successful season.

The girls who managed to "hook" their fellows enough to get a ring this year. Nice work, girls!

Marilyn Dumm for becoming Lock Haven's first Flaming Foliage Queen.

All the sophomores who came out of Mr. Sente's biology class without a nervous breakdown.

Mrs. Graves, Mrs. Ricker, Mrs. Rathgeber, and Mr. Kleckner for our chapel programs and wonderful Purple Whirls.

All the entries who won awards for the National or Pennsylvania Anthologies.

The seniors' parents who may (you'd better believe it!) felt an unloading of their pocketbooks in the past three years.

Our debaters who had a particularly successful season.

Jane Douglass who attained the award of "Good Citizen" from the D. A. R.

All the seniors who have gone three years without learning what detention hall is.

The teachers who started their first year at L. H. H. S.: Mrs. Kemp, Mr. Kodish, Miss Bauer, and Mr. Hanna.

WHAT WOULD HAPPEN IF:

Joyce O. and Donna S. didn't have everything exactly in place?
Barbara M. had a serious thought in her head?
Sophomores could find their way around the first week of school?
Connie gave Barb some of her height?
Deanna and Mike weren't always together?
Esther Grand didn't talk so much?
Miss George would allow her students to chew gum?
Our cafeteria were an automat?
First Ward had a school bus?
Mrs. Colquist's silver locks were wind-blown?
There were more commercial students in dramatics?
On Friday's, 8th period, Mr. Hoch's watch didn't say 2 o'clock?
Emily didn't have an audience when she puts on her lipstick?
Teachers knew Kay from Karen?
Our school had a swimming pool?
You could find a vacant hall radiator between lunch periods?

Alma Mater

Let our voices loudly ringing
Echo far and near,
Songs of praise thy children singing,
To thy memory dear.

All the days we've been together,
Fondly we recall,
Days of fair and stormy weather,
Thou hast gladdened all.

Years may dim our recollections,
Time its change may bring,
Still thy name in fond affection,
Evermore we sing.

Chorus

Hail Lock Haven, Alma Mater,
Tender, fair and true,
Grateful sons with love unfailing,
All their vows renew.
